Item 1: Route 522 South Draft Report

Staff has just received the draft Route 522 study from the Metropolitan Planning Organization. As the document is lengthy, please review the items at the following web address to download:
<https://efp.mbakercorp.com?wtcQID=WUJHVILQkdXRjpnZVM4NXp3eA==>

If you have any difficulty, please contact planning staff for a paper copy.

Please take some time to review the draft report so that we may discuss it at the meeting.

Item 2: Comprehensive Plan Update

Staff will be providing an update on the progress of the transportation component of the Comprehensive Plan. We are currently in the process of holding stakeholder meetings with many groups as follows:

- Inland Port
- Law Enforcement (state and local)
- Economic Development Authority
- Regional Chamber of Commerce
- Top of Virginia Builders Association
- Industrial Parks Association
- Regional Airport
- Frederick County Schools
- Frederick County Fire and Rescue
- Virginia Department of Transportation

In addition, GIS staff is in the process of updating the Eastern Road Plan map and a draft is expected to be ready by the date of the Committee meeting.

Item 3: Fox Drive State Route Number

Prior to the construction of Route 37, Fox Drive and Apple Pie Ridge Road were connected and shared the State Route number of 739. Even after the construction of Route 37 and associated relocation of Apple Pie Ridge Road, both roadways have continued to share Route number 739. At the request of citizens who have been inconvenienced by this, particularly for their out of town guests, a request was brought to VDOT to look into the renumbering of Fox Drive.

This is an administrative change and VDOT has reserved Route number 766 for Fox Drive.

Item 4: Other
